Owing to the press upon our columns, we are compelled to divide the letter of "CLXRA" into two parts. Its publication has been unavoidably delayed, by the lateness of the day it was placed in our hands, ane also by the press of other matter after it did reach us. It is of that kind, however, which will not lose its interest by the delay.

IMPORTANT Appirton. - Our "vegetable cabinet" received an important acquisition yesterday from the plantation of ENOCH CUNNINGHAM, Esq , lituate nine miles from the city on the Louisville Branch Tuenpike, consisting of a huge pumpkin, weighing 107 pounds, and measuring in circumference 5 feet 7 inches, and lengthwise 6 feet 6 inches. Our "vegetable museum" is now nearly complete, and cards of admission will be in readiness in a few days-over the left-in the meantime our friends can have a "free sight" by calling at No. 16 Deaderick street. From the numerous visitors yesterday, we anticipate a rush to day.

THEATRE.-The ent-regioment for to-night is Still Waters Run Deep, and Trick Tracks and Book Sellers, Book-Binders and Blank Flightys. Mr. Couldock, in the character of John Mildmay, has, in our conception, no superior. Wherever he has appeared in it, criticism has been transformed into panegyric, as readily and completely as Couldock is transformed into Mildmay.

John Abchibald, Oyster Bealer, No. 49, Union Street -Yesterday was indeed a drizzly day, but it stopped not the receipt of a lot of fresh bivalves by our friend ARCHIBALD, on Union street, who will be in daily receipt of them during the season. In addition to our "big pumpkin" we have opened a "nautilus department" in our "museum cabinet" which is indeed worthy of attention, being well filled with "empty cane," the full ones are furnished by our neighbor Archibald, on Union street. Call and try them.

EMPIRE MINSTREES. - This fine troupe of sable harmonists gave their first performance last night at Odd Fellows' Hall to a large and appreciative audience, the rain and mud to the contrary. The champion jig by Dick Sliter was well executed, and elicited much applause. The entire company acquitted themselves in a handsome manner. They Watson's Practice, Funt's Resp. Organs, will perform again to-night with an entire change | Bar ow's Practice,

From Kansas.

QUINDARO, KANSAS, Oct. 22. An injunction from Judge Cate to Gov. Walker and Stauton, commanding them to give certificates of election to the members that were elected by traud in Johnson county, was served day before yesterday by a deputy sheriff at Stanton's residence, near the old camp, about two miles east of L comp ton. Gov. Walker is staying out there with Stanton, partly because he is not well and partly because he is afraid to stay in Lecompton. Major Sherman, who is in command of the troops that have been quartered near Lawrence, has re-

ceived orders from the Governor to remove with his whole command to Lecompton at once. The following is a copy of Judge Cato's injunc-TERRITORY OF KANSAS,

To Rob't J. Walker, Governor of Kansas Territory, and Frederick P. Stanton, Secretary of the same, greeting:

WHEREAS, Samuel J. Jones, William Hall, Hiram Bledsoe, J. H. Danforth, John F. Eston, L. S. Belling, A. P. Walker, William S. Wells, J. C. Thompson, Thos. B. Sykes, and U. B. Windsor, have been elected members of the Legislative Assembly of the Territory of Kansas, to wit; The above first 5 named as members of the Council, the remainder as members of the House of Representatives of the said Assembly, appointed by law to meet on the 1st Monday of January, A. D., 1853, for the counties of Johnson and Douglass, of the said Territory, to wit, on the 5th and 6th days of October, 1857, and ought to be commissioned as Councilmen and Representatives by you; nevertheless, you, not being ignorant of the premises, but disregarding your duty therein, have not only refused, though thereto required by the said members elect, to grant them their certificates of election, but yet do refuse so to do in contempt of us, and to the great damage

We, therefore, being willing that speedy justice should be done in their behalf, do command and enjoin you that immediately after the receipt of this writ you do cause the said members elect to be granted their cerificates of election, and do signify the cause to us why you cannot or will not grant the certificates as afore-ail, lest in your default complaint should again come to us, and how you have executed this writ, made known to us at Lectompton on the 28th October, A. D. 1857, and Thankful for the liberal patronage I have heretofore rehave you then and there this writ. Witness my hand and scal this 20th day of October, A. D. 1857. STERLING G. CATO,
